Abstract

This is where your abstract or summary goes.

1 Introduction

This is a clean boilerplate L^AT_EX template suitable for reports, notes, homework, or papers.

1.1 Example math

Here is some inline math: $E = mc^2$

And displayed math:

$$\nabla \cdot \vec{E} = \frac{\rho}{\varepsilon_0}.$$

2 Examples

2.1 An itemized list

- First item
- Second item
- Third item

2.2 Including an image

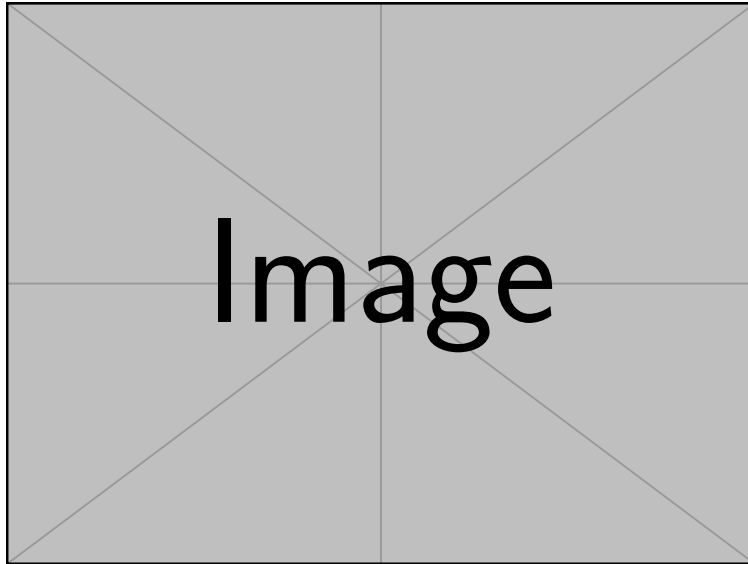

Figure 1: Example caption.

3 Conclusion

Your conclusion goes here.
